About Suryadatta Education Foundation

The Suryadatta Education Foundation was established in the year 1999, primarily to develop self motivated leaders to be successful in the challenging and vibrant global economy. The promoters and the core team have individually 20 plus years of rich Industry & Academic experience in various streams of Management, Information Technology, Media and Mass Communication, Corporate Consultancy, Value Based Education, Training and Research. The Advisory & Governing Council of Suryadatta comprises of eminent academicians, professionals, industrialists, international consultants and social workers, who with their experience and knowledge guide the activities of the Foundation.

Over the last 2 decades, the Suryadatta family has blossomed into a bouquet of academic institutions in a number of disciplines such as School (CBSE), Junior College, Business Management, Information Technology, Cyber Security, Hotel Management, English and Foreign Languages, Interior Design, Fashion Design, Animation, Event Management, Physiotherapy, Data Science, Psychology, Law, Pharmacy, Journalism, Mass Communication, Statistics, Media & Entertainment, Sports Academy, Creative Arts, Suryadatta Production, Beauty and Wellness, Performing Arts, Vocational and Advanced Studies. Students from Pan of India and several foreign nations are pursuing their education at various Suryadatta Institutes.

About Suryadatta International Institute of Cyber Security (SIICS)

Suryadatta International Institute of Cyber Security (SIICS) has been established in 2020, the first flagship course affiliated to Pune University with Suryadatta International Institute of Cyber Security. The First Institute in Pune to offer course in the specialized field of Cyber Security & Digital Science, which equips you with the knowledge and skills required to protect the cyber infrastructure of the nation and have bought a rapid and dynamic change in the careers of a Science student and Software professional.

The Institute has a State of art infrastructure with the Cyber Advisory Council at SIICS comprising of academicians, Industry professionals, IT Administrators, Entrepreneurs, Policy makers and Bureaucrats with expertise in this area.

The campus is designed to provide the cyber learning infrastructure in terms of classrooms, seminar halls, tutorial rooms, library, computer labs, etc., also has ample open learning space to create a unique ambience that stimulates peer and group learning experiences. Various MOUs with Technology partners and many others.

**SIICS was Awarded with the International Education Award 2022
at the hands of Former Indian Cricketer Mr. Sunil Gavaskar
by TIME Cyber Media Pvt. Ltd.**
